

Contractors Extension

Exclusion clause 5 (Manufacture and supply of goods) shall not apply but shall be replaced by the following:

5 Manufacture and supply of goods

arising directly or indirectly from or relating to the manufacture, repair, alteration, installation, sale, supply or maintenance of any product or other item of goods whether by **You** or by any **Connected Person** or by any sub-contractor of **Yours** unless:

- a) such claim derives from **Your** negligent advice, design, specification or formula or other breach of professional duty in the conduct of **Your Professional Business** and
- b) such product or goods have been used, installed, sold, supplied or maintained by **You** or by any sub-contractor of **Yours** in accordance with the manufacturer's intended specification or instructions.

Exclusion 6 (Construction) shall not apply but shall be replaced by the following:

- 6 arising directly or indirectly from or relating to the manufacture, construction, erection, installation, repair, alteration or demolition of any building or other physical structure where **You** or any **Connected Person** or sub-contractor of **Yours** has entered into a contract to manufacture, construct, erect, install, repair, alter, or demolish any building or other physical structure unless such claim derives from **Your** negligent advice, design, specification or formula or other breach of professional duty in the conduct of **Your Professional Business**.

The following exclusion shall apply in addition to the other exclusions:

We will not indemnify **You** against any claim or **Loss** arising directly or indirectly out of or relating to:

- a) **Your** supervision of **Contracting Work** that has been undertaken by:
 - i. **You** or a **Connected Person** or by
 - ii. **You** or a **Connected Person's** sub-contractor;
- b) **Your**:
 - i. providing, or failing to provide, advice about or in relation to; and/or
 - ii. arranging or failing to arrange appropriate insurance or insurance products of any kind;
