

Fire Safety Exclusion

We will not indemnify **You** against anything arising directly or indirectly from or relating to the fire safety of a building or structure. The meaning of 'fire safety' shall include but not be limited to:

- fire compartmentation
- fire prevention or suppression
- the adequacy of fire escapes or means of escape
- the means of detection and warning
- any advice related to evacuation procedures
- any design or advice relating to fire spread via the "leapfrog effect"
- any design, advice or specification related to a building's compliance with applicable rules and regulations governing fire safety.
